

The Gospel of Nonbinary

Bei Kate Bornstein:

When you make the two one, and when you make the inside like the outside and the outside like the inside, and the above like the below, and when you make the male and the female one and the same, so that the male not be male nor the female female...then will you enter the kingdom.

Bei Cynthia Bourgeault:

When you are able to make two become one, the inside like the outside and the outside like the inside, the higher like the lower, so that a man is no longer male and a woman female, but male and female become a single whole; when you are able to fashion and eye to replace an eye, and form a hand in place of a hand, or a foot for a foot, making one image supercede another—then you will enter in.”
